Description			
<i>Provide a short description of the event and its activities.</i>			

The exhibition was opened on the Prefecture Square in Tg. Jiu and will be on display in the city until January 22, 2024. The event was designed in two steps: 1) a public debate aimed at bringing the history of the Holocaust into the present and making the discussion about the past relevant for current challenges. Four representatives of the students who participated in the creation of the graphic novel exhibition were invited as speakers in order to emphasize the relevance of the young generation and to strengthen their voice in the public narrative. The debate was hosted by the “Alexandru Ștefulescu” Gorj County Museum; and 2) the vernissage of the graphic novel exhibition for Gorj district. Diplomas were awarded to the students who participated to the creation of the exhibition and their coordinating teachers.

Local and national media covered the event, which was also presented on the social media channels of the two partners:
